HIGHLAND AVENUE DETOUR TO START FEBRUARY 14 IN RIALTO

Highland Avenue will close permanently between Riverside Avenue and Ayala Drive in Rialto for continued construction of State Route 210. Beginning Monday, February 14, motorists no longer will have access to Highland Avenue west of Riverside Avenue.

A detour will be in place to route westbound motorists north on Riverside Avenue, south on Ayala Drive and west on Easton Street. Eastbound travelers will use Easton, and then head south on Ayala, east on Baseline and north on Riverside before connecting to Highland east of Riverside.

Eastbound Casmalia Street will be blocked at Ayala Drive to prevent through-traffic in this residential neighborhood.

A pedestrian walkway is being built this week across Highland Avenue west of Cactus. This will provide a safe crossing for students and other pedestrians.

The detour will be in place until the completion of the freeway, expected in late 2007. Drivers should allow extra travel time, follow signs and be patient during construction.

Remember during construction, **Safety: It's no accident!**
